Gelsenkirchen, den 24.11.2017

TEST CERTIFICATE

**Enhancement of Microbial Growth on Materials to Come into Contact with Drinking water
Test pursuant to DVGW Technical Standard W 270, November 2007**

Client: Schomburg GmbH & Co. KG
Aquafinstrasse 2-8
32760 Detmold

Test material: **Betocrete-CP350-CL**

Test method: Material test

Concrete, produced using **Betocrete-CP350-CL** is conform to the requirements for the use in the area of drinking water systems pursuant to DVGW Technical Standard W 270 according to test report **W-292093-17-SI/to** of **24.11.2017**. Details regarding testing procedure and test results are itemized in the test report.

This test certificate is valid from the date of issue and, given that the conditions and requirements remain unaltered, expires on **24.11.2022**. Upon request of the client, the validity may be extended up to another 5 year term provided that the specifications of Technical Standard W 270 are met.

The Director of the Institute

p.p.

Dr. Ch. Schell

Head of Laboratory

Department of Water Hygiene and Environmental Microbiology

The test results and assessments refer exclusively to the examined test specimens and all applicable statutory regulations. The validity of the document expires in case of modifications in the composition of the material or the processing conditions. This present document may only be published and reproduced unabridged and unaltered. This document is no DVGW certification.
