

Technical Data Sheet

ASO[®]-SR INDU-Rundschnur

Round profile backing strip

Art.-No. 2 06434

- Closed cell polyethylene foam
- High elasticity and adaptability
- Water repellent
- Simple application

Areas of application:

ASO-SR is used as a back-filling material for joints to prevent a "three-sided bond".

ASO-SR is used for the jointing materials:

- INDUFLEX-PS
- INDUFLEX-PU
- INDUFLEX-MS

Application:

When placing ASO-SR in the joint void, ensure that the backing strip is compressed by at least 25% when positioned. Ensure, when pressing the backing strip into place, that no sharp edged implements/tools are used, which may damage the outer skin.

Technical Data:

Storage: Cool and dry, min. 18 month when stored above +10° C to 40° C, in the original unopened packaging. Use opened packagings promptly.

Packaging: 20 mm diameter 350 m boxed
15 mm diameter 550 m boxed
10 mm diameter 1,150 m boxed

Important advice:

- Higher temperatures reduce the shelf life.
- Applications that are not clearly explained in this technical data sheet may only be carried out after consultation with and written confirmation from the Technical Services Department of SCHOMBURG.
